Service Agreement

Please complete this "Service Agreement" and provide us with a copy of your **Driver's License**.

If a deposit is required, it must be paid before service can be connected. All renters and commercial customers are required to pay a deposit. Renters may choose to enroll in Autopay, in which case the deposit will be waived. Homeowners may be asked to pay a deposit in certain situations. All commercial customers must provide a Tax ID instead of a driver's license. Residential deposit \$90.00; commercial deposit is based on the type of business.

There is a \$30 "Establishment" fee for all services (included on your first month's bill).

AGREEMENT: I/We, the undersigned, apply for water service from BIG PARK WATER COMPANY. I/We agree to pay for water service at the current rates and follow all rules approved by the Arizona Corporation Commission. I/We will use the service only for my own needs and will not sell, share, or allow others to use it. I/We give BIG PARK WATER COMPANY staff permission to come onto the property during reasonable hours to install, remove, or inspect equipment as needed. I/We understand that the company is not responsible for any damage or problems that happen after the water passes the meter. I/We agree to fill out and return the official service agreement form when I move into the property and again when I/We want to stop service. If I/We don't follow these terms, BIG PARK WATER COMPANY may stop my service without further notice, and I/We am still responsible for any unpaid bills.
